I graduated from the Royal Atheneum in Mortsel in the field of Economics and Sciences in 2019.

HOBBIES & INTERESTS

- *Soccer*
- *Cybersecurity*
- *Gaming*
- *Application development*

GOAL

I am very interested in the online world and would like to gain more experience in various areas. Although I was originally interested in web design and application development, I am now more interested in backend development and would like to pursue a career in this field. I am also open to other challenges and willing to learn new skills to achieve my goals.
